Volunteers are needed to assist with the scholarship committee. If anyone is interested in assisting, please let a board member know

Per our MOA, if you have a child and their school or child care is closed due to Covid, you will be allowed to work remote for up to 5 days. You will need to let HR know.

All staff are to be working in the building Tuesday-Friday unless there has been an arrangement made through HR due to medical reasons

Please check the union website for frequent updates. [www.brocktonparas.massteacher.org](http://www.brocktonparas.massteacher.org). There are many useful links.

There are a lot of open positions in the district. If you know anyone looking for a job, tell them to apply

If a building rep receives a new hire packet, please make sure to get it to the staff as soon as possible. If you need any additional packets, please let Sara Mann know.

If you are not getting enough PPE from your school, please let us know

Please refer to the most recent MOA regarding subbing, sub pay and remote teaching. MOAs are sent via school email and are posted on the para website.

Once again, thank you for all that you do. It is not going unnoticed.
