BEPA Scholarship Application Requirement Letter Directions

Letter must be attached to the application.

On a separate sheet of paper, please submit a letter (approximately 250 words) which addresses the following points:

- Plans for further education and career goals
- Information on activities and any work experience while in high school
- Interests and hobbies
- Special family circumstances, if any

The Scholarship Committee (a panel formed of BEPA members) will review this letter. Therefore, it is very important that you make NO reference in your letter to your name, gender, or family members' identity. The committee is impartial and any indication of who the applicant is will disqualify the applicant and committee member, holding up the scholarship process. Also, an applicant will be disqualified immediately if he/she discusses their application with a committee member, or they do not follow the proper letter format.

We are pleased that you have applied for the Brockton Education Paraprofessional & Monitor Teacher Association Scholarship and we wish you the best of luck in your future endeavor.

Thank you,
The BEPA Scholarship Committee
