

EVERY NEW EDUCATOR OF COLOR Needs a Sounding Board

SIGN UP FOR THE MTA'S EDUCATOR OF COLOR MENTORING PROGRAM

The program is designed to help new educators of color navigate the first years of their profession, with the help of a retired mentor of color, someone who understands the challenges and opportunities of public educators.

The mentor-mentee pairs will meet on a schedule that works for them. It's intended to be a confidential relationship that will help keep great educators in the profession.

If interested, please scan the QR code and complete the resulting form.

THIS PROGRAM IS A COLLABORATION OF THE RETIRED MEMBERS COMMITTEE & THE NEW MEMBER COMMITTEE.
